## HELPING YOU PERFECT YOUR FIRST IMPRESSION!

### APPROACHABLE / PERSONABLE / CONFIDENT

Every time you look at a photo of yourself you question “how do I look?”. It’s human nature, it is inevitable and it happens every time. So it is only natural that you put a lot of pressure on yourself when it comes to having your headshot photographed. Not to worry, that is where we come in. We make it our mission to help you feel comfortable in front of the camera. We take the time to inspect every element of the photo to make sure that you look your absolute best. No hair fly aways, your jewelry will be lined up perfect and definitely no cookie crumbs on your cheek. By the end of the shoot you will walk away knowing that we have just captured images that depict the true essence of who you are. For more information or to schedule a headshot session please call Jamie at 813-625-8168 or email [james@jamesconnellphotography.com](mailto:james@jamesconnellphotography.com).
